You are entitled to receive confirmation of ownership in the branch of the exchange member or by mail to your address (in consideration of mailing fees only), if you so requested in advance for a particular securities account. In the event you wish to vote your ordinary shares by means of a deed of vote, please deliver, along with the confirmation of ownership, the completed and executed second part of the Hebrew form of the deed of vote, filed with the Israel Securities Authority and Tel Aviv Stock Exchange and available at the websites noted above, **which must be received by the Company by 10:00 a.m., Israel time, on January 24, 2019 (four hours prior to the Meeting), to be counted for the Meeting.** You will receive from the exchange member who holds the shares on your behalf, by e-mail, for no charge, a link to the text of the deed of vote and to the position notices, if any, unless you notified that you are not interested in receiving such links (provided that such notice was provided with respect to a particular securities account and prior to the Record Date). A shareholder is entitled to contact the Company directly and receive the text of the Hebrew deed of vote and position notices, if any. To be held on January 24, 2019

The extraordinary general meeting of shareholders, or the Meeting, of Ellomay Capital Ltd. (also referred to hereinafter as “Ellomay,” the “Company,” “us,” “we” or “our”) will be held at our offices at 9 Rothschild Boulevard, 2nd Floor, Tel Aviv 6688112, Israel on Thursday, January 24, 2019, at 2:00 p.m., Israel time, and thereafter as it may be adjourned or postponed from time to time.

SOLICITATION OF PROXIES

It is proposed that at the Meeting, resolutions be adopted as follows:

1. Election of Dr. Michael J. Anghel as a new external director for an initial three-year term; and
2. Approval of terms of service of Dr. Michael J. Anghel, the external director nominee.

The proxy materials are being mailed to our shareholders as of December 27, 2018, or the Record Date, on or about December 28, 2018.

A form of proxy for use at the Meeting and a return envelope for the proxy are enclosed. Upon the receipt of a properly signed and dated proxy in the form enclosed, which is received in time and not revoked prior to the Meeting, either of the proxies, with full power of substitution, will vote, as proxy, the ordinary shares represented thereby at the Meeting in accordance with the instructions indicated on the proxy, or, if no direction is indicated, in accordance with the recommendation of our Board of Directors as set forth below. **In order to be counted at the Meeting, your proxy must be received either by our transfer agent by 2:00 p.m. (Israel time) on January 22, 2019 (forty-eight hours prior to the Meeting), or at our registered office in Israel by 10:00 a.m. (Israel time) on January 24, 2019 (four hours prior to the Meeting).**

The enclosed form of proxy is solicited by our Board of Directors for use at the Meeting and at any adjournments or postponements of the Meeting. All expenses of this solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers, and employees of the Company, without receiving additional compensation, may solicit proxies by telephone, in person, or by other means. Brokerage firms, nominees, fiduciaries, and other custodians have been requested to forward proxy solicitation materials to the beneficial owners of ordinary shares of the Company held of record by such persons, and the Company will reimburse such brokerage, nominees, fiduciaries, and other custodians for reasonable out-of-pocket expenses incurred by them in connection therewith.

The proxy may be revoked at any time prior to its exercise by notice in writing of the shareholder to us, delivered at our address above up to one hour prior to the Meeting and indicating that its/his/her proxy is revoked, or by timely submitting another proxy with a later date. If you hold your ordinary shares in “street name,” meaning in the name of a bank, broker or other record holder, you must either direct the record holder of your ordinary shares on how to vote your ordinary shares or obtain a legal proxy from the record holder to vote such ordinary shares at the Meeting on behalf of the record holder as well as a statement from such record holder that it did not vote such ordinary shares.

If your ordinary shares are held through a member of the Tel Aviv Stock Exchange Clearinghouse, and you intend to vote your shares at the Meeting in person or by proxy you must deliver to us, via messenger, registered mail or the electronic voting system of the Israel Securities Authority, a confirmation of ownership (*ishur baalut*) issued by the applicable bank or broker, confirming your ownership of our ordinary shares as of the Record Date, as required by the Israeli Companies Regulations (Proof of Ownership of Shares for Voting at General Meeting), 5760-2000. You are entitled to receive confirmation of ownership in the branch of the exchange member or by mail to your address (in consideration of mailing fees only), if you so requested in advance for a particular securities account. In the event you wish to vote your ordinary shares by means of a deed of vote, please deliver, along with the confirmation of ownership, the completed and executed second part of the Hebrew form of the deed of vote, filed with the Israel Securities Authority and the Tel Aviv Stock Exchange and available at the websites noted in the notice of the Meeting, **which must be received by us by 10:00 a.m., Israel time, on January 24, 2019 (four hours prior to the Meeting), to be counted for the Meeting.** You will receive from the exchange member who holds the shares on your behalf, by e-mail, for no charge, a link to the text of the deed of vote and to the position notices, if any, unless you notified that you are not interested in receiving such links (provided that such notice was provided with respect to a particular securities account and prior to the Record Date). Alternatively, shareholders who hold shares through members of TASE may vote electronically via the electronic voting system of the Israel Securities Authority, or the ISA, up to six hours before the time fixed for the Meeting (i.e., 8:00 a.m. (Israel time) on January 24, 2019). You should receive instructions about electronic voting from the TASE member through which you hold your shares.

RECORD DATE; QUORUM

Only shareholders of record at the close of business on December 27, 2018 are entitled to notice of, and to vote at, the Meeting or any adjournment(s) or postponement(s) thereof. As of December 19, 2018, we had 10,675,508 issued and outstanding ordinary shares (this number does not include 258,046 ordinary shares all of which were repurchased by us, that were held by us at that date by us as treasury shares under Israeli law). Each ordinary share, other than ordinary shares held by us as treasury shares, is entitled to be counted for purposes of a quorum and to one vote on each matter to be voted on at the Meeting. Our Second Amended and Restated Articles of Association, or the Articles, do not provide for cumulative voting for the election of directors or for any other purpose.

The presence at the Meeting, in person or by proxy, of two or more shareholders holding more than 25% of the voting rights of the Company, will constitute a quorum. All ordinary shares represented in person or by proxy (including broker non-votes and shares that abstain or do not vote with respect to one or more of the matters to be voted upon) will be counted for purposes of determining whether a quorum exists. If within half an hour from the time appointed for the Meeting a quorum is not present, the meeting shall stand adjourned on the same day, in the next week, at the same time and place. The requisite quorum at an adjourned meeting shall be any two or more members, present in person or by proxy at the meeting.

VOTING RIGHTS; REQUIRED VOTES

The votes of all shareholders voting on a proposal are counted. Abstentions and broker non-votes will not be treated as either a vote “for” or “against” a proposal. “Broker non-votes” are shares held by brokers or other nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner of the shares. Brokers and other nominees have discretionary voting authority under the applicable rules of the New York Stock Exchange to vote on “routine” matters. Please note that the uncontested election of directors is not considered a “routine” matter under such rules. This means that if a brokerage firm holds your shares on your behalf, those shares will not be voted in the election of directors, or with respect to the other non-routine matters on the agenda of the Meeting, unless you provide voting instructions to your brokerage firm or obtain a proxy from your brokerage firm and vote the shares yourself, in person or by proxy.

Each of the resolutions to be presented at the Meeting requires the affirmative vote of holders of at least a majority of the ordinary shares voted in person or by proxy at the Meeting on the matter presented for passage. In addition, the approval of the proposal under Item 1 and a portion of the proposal under Item 2 are required to comply with additional special “disinterested” voting requirements as set forth in the Proxy Statement.

PRINCIPAL SHAREHOLDERS

The following table sets forth information regarding the beneficial ownership of our ordinary shares as of December 19, 2018 by each person known by us to be the beneficial owner of 5.0% or more of our ordinary shares. Each of our shareholders has identical voting rights with respect to its shares. All of the information with respect to beneficial ownership of the ordinary shares is given to the best of our knowledge based on public filings by the shareholders (the most recent is a Schedule 13D/A filed on September 3, 2013) and on information provided by them.

To our knowledge, except as otherwise indicated in the footnotes to this table, each shareholder in the table has sole voting and investment power for the ordinary shares shown as beneficially owned by them.

| | Ordinary Shares Beneficially Owned⁽¹⁾ | Percentage of Ordinary Shares Beneficially Owned |
|--|---|---|
| Shlomo Nehama ⁽²⁾⁽⁵⁾ | 4,016,842 | 37.6% |
| Kanir Joint Investments (2005) Limited Partnership ⁽³⁾⁽⁴⁾⁽⁵⁾⁽⁶⁾ | 2,617,350 | 24.5% |

* Represents beneficial ownership of less than 1% of ordinary shares.

- (1) As used in this table, “beneficial ownership” means the sole or shared power to vote or direct the voting or to dispose or direct the disposition of any security as determined pursuant to Rule 13d-3 promulgated under the U.S. Securities Exchange Act of 1934, as amended. For purposes of this table, a person is deemed to be the beneficial owner of securities that can be acquired within 60 days from December 19, 2018 through the exercise of any option or warrant. Ordinary shares subject to options or warrants that are currently exercisable or exercisable within 60 days are deemed outstanding for computing the ownership percentage of the person holding such options or warrants, but are not deemed outstanding for computing the ownership percentage of any other person. The amounts and percentages are based on a total of 10,675,508 ordinary shares outstanding as of December 19, 2018. This number of outstanding ordinary shares does not include a total of 258,046 ordinary shares held at that date as treasury shares under Israeli law, all of which were repurchased by us. For so long as such treasury shares are owned by us they have no rights and, accordingly, are neither eligible to participate in or receive any future dividends which may be paid to our shareholders nor are they entitled to participate in, be voted at or be counted as part of the quorum for, any meetings of our shareholders.
- (2) The 4,016,842 ordinary shares beneficially owned by Mr. Nehama consist of: (i) 3,551,869 ordinary shares held by S. Nechama Investments (2008) Ltd., or Nechama Investments, which constitute approximately 33.3% of our outstanding ordinary shares and (ii) 464,973 ordinary shares and held directly by Mr. Nehama, which constitute approximately 4.4% of our outstanding ordinary shares. Mr. Nehama, as the sole officer, director and shareholder of Nechama Investments, may be deemed to indirectly beneficially own any ordinary shares owned by Nechama Investments, which constitute (together with his shares) approximately 37.6% of our outstanding ordinary shares.
- (3) Kanir Joint Investments (2005) Limited Partnership, or Kanir, is an Israeli limited partnership. Kanir Ltd., in its capacity as the general partner of Kanir, has the voting and dispositive power over the ordinary shares directly beneficially owned by Kanir. As a result, Kanir Ltd. may be deemed to indirectly beneficially own the ordinary shares beneficially owned by Kanir. Messrs. Hemi Raphael and Ran Fridrich, who are members of our Board of Directors, are the sole directors of Kanir Ltd. and Mr. Raphael is a majority shareholder of Kanir Ltd. As a result, Messrs. Raphael and Fridrich may be deemed to indirectly beneficially own the ordinary shares beneficially owned by Kanir, which constitute, together with their holdings as set forth in footnote (4), 28.8% and 25.6%, respectively, of our outstanding ordinary shares. Kanir Ltd. and Messrs. Raphael and Fridrich disclaim beneficial ownership of such ordinary shares except to the extent of their respective pecuniary interest therein, if any.
- (4) Mr. Raphael beneficially owns 454,524 ordinary shares, consisting of: (i) 314,514 ordinary shares held by a BVI private company wholly-owned by Mr. Raphael, which constitute approximately 2.9% of our outstanding shares and (ii) 140,010 ordinary shares held directly by Mr. Raphael, which constitute approximately 1.3% of our outstanding shares. Mr. Raphael, as the sole officer, director and shareholder of such private company, may be deemed to indirectly beneficially own any ordinary shares beneficially owned by such private company, which constitute (together with the shares held directly by him) approximately 4.3% of our outstanding ordinary shares. Mr. Fridrich directly owns 116,787 ordinary shares, which constitute approximately 1.1% of our outstanding shares.

- (5) On March 24, 2008, Kanir and Nechama Investments entered into a shareholders agreement, or the 2008 Shareholders Agreement. By virtue of the 2008 Shareholders Agreement, Mr. Nehama, Nechama Investments, Kanir, Kanir Ltd., and Messrs. Raphael and Fridrich may be deemed to be members of a group that holds shared voting power with respect to 6,196,219 ordinary shares, which constitute approximately 57.8% of our outstanding ordinary shares, and holds shared dispositive power with respect to 5,291,564 ordinary shares, which constitute 49.6% of the outstanding ordinary shares. Accordingly, taking into account the shares directly held by Messrs. Nehama, Raphael (taking into account also shares held by the private company wholly-owned by him) and Fridrich, they may be deemed to beneficially own approximately 62.1%, 62% and 58.9%, respectively, of our outstanding ordinary shares. Each of Mr. Nehama and Nechama Investments disclaims beneficial ownership of the ordinary shares beneficially owned by Kanir. Each of Kanir, Kanir Ltd. and Messrs. Raphael and Fridrich disclaims beneficial ownership of the ordinary shares beneficially owned by Nechama Investments. A copy of the 2008 Shareholders Agreement was filed with the SEC on March 31, 2008 as Exhibit 14 to an amendment to a Schedule 13D and is not incorporated by reference herein.
- (6) Bonstar Investments Ltd., or Bonstar, an Israeli company, holds 233,258 ordinary shares, which constitute approximately 2.2% of the outstanding ordinary shares. Bonstar is a limited partner of Kanir and assisted Kanir in the financing of the purchase of some of its ordinary shares. Accordingly, Bonstar may be deemed to be a member of a group with Kanir and its affiliates, although there are no agreements between Bonstar and either of such persons and entities with respect to the ordinary shares beneficially owned by each of them. Mr. Joseph Mor and Mr. Ishay Mor are the sole shareholders of Bonstar and Mr. Joseph Mor serves as the sole director of Bonstar. Messrs. Joseph Mor and Ishay Mor also hold, through a company jointly held by them, 175,000 ordinary shares, which constitute approximately 1.6% of the outstanding ordinary shares. By virtue of their control over Bonstar and the other company, Messrs. Joseph Mor and Ishay Mor may be deemed to indirectly beneficially own the 408,258 ordinary shares beneficially owned by Bonstar and by the other company, which constitute approximately 3.8% of the ordinary shares. Each of Bonstar and Messrs. Joseph Mor and Ishay Mor disclaims beneficial ownership of the ordinary shares beneficially owned by Kanir and Nechama Investments, except to the extent of their respective pecuniary interest therein, if any.

MATTERS SUBMITTED TO SHAREHOLDERS

ITEM 1

ELECTION OF EXTERNAL DIRECTOR

Background

Companies incorporated under the laws of Israel whose shares have been offered to the public, such as our company, are required by the Companies Law to have at least two external directors. Each external director may serve for up to three terms of three years. However, pursuant to the Israeli Companies Regulations (Relief for Public Companies with Shares Listed for Trading on a Stock Market Outside of Israel), 5760-2000, or the Relief Regulations, Israeli companies listed on certain stock exchanges outside Israel, including the NYSE American (such as our company), may appoint an external director for additional terms of not more than three years each, subject to certain conditions. Our other directors are elected annually.

Our currently serving external directors are Barry Ben Zeev, whose service term is due to end on December 29, 2018 and Mordechai Bignitz, whose service term is due to end on December 19, 2020. We are currently proposing the election of Dr. Michael J. Anghel as a new external director, replacing Mr. Barry Ben Zeev.

The Companies Law prescribes the requirements and qualifications of an external director. Among other requirements and limitations, in order to qualify as an external director an individual may not be a relative of a controlling shareholder and she or he, or her or his relative, partner, employer, direct or indirect supervisor or an entity she or he controls, may not have, and may not have had at any time during the previous two years, any affiliation to the company, the controlling shareholder of the company or a relative of the controlling shareholder of the company or to an entity that, on the date of appointment of during the preceding two years, is or was controlled by the company or by the company's controlling shareholder. The term affiliation includes: an employment relationship, a business or professional relationship maintained on a regular basis, control, and service as an office holder. In addition, no individual may serve as an external director if the individual's position or other activities create or may create a conflict of interest with his or her role as an external director or if she or he, or her or his relative, partner, employer, direct or indirect supervisor, or an entity she or he controls, has other than negligible business or professional relations with any of the persons with which the external director himself may not be affiliated, even if such relations are not routine. In addition, at least one of the external directors must have "accounting and financial expertise" and any other external director must have "accounting and financial expertise" or "professional qualification," as such terms are defined by regulations promulgated under the Companies Law.

For a period of two years following the termination of services as an external director, the company, its controlling shareholder and any entity the controlling shareholder controls may not provide any benefit to such former external director, directly or indirectly. The prohibited benefits include the appointment as an office holder in the company or the controlled entity, employment of, or receipt of professional services from, the former external director for compensation, including through an entity such former external director controls. The same prohibition applies to the former external director's spouse and child for the same two-year period and to other relatives of the external director for a period of one year following the termination of services as an external director.

All of the external directors of a company must be members of its audit committee and compensation committee and at least one external director is required to serve on every committee authorized to exercise any of the powers of the board of directors. If elected, Dr. Anghel will serve as a member of our Audit Committee and our Compensation Committee.

At the Meeting, shareholders will be asked to elect Dr. Anghel as an external director for an initial three-year term, commencing on the date of the Meeting.

We are unaware of any reason why Dr. Anghel, if elected, should be unable to serve as a member of our Board of Directors, Audit Committee and Compensation Committee. If Dr. Anghel is unable to serve, the persons named in the proxy, or either one of them, will vote the shares represented thereby "FOR" the election of another nominee proposed by our Board of Directors. Dr. Anghel advised the Board of Directors that he intends to serve as a member of the Board of Directors if elected.

Pursuant to the requirements of Section 241 of the Companies Law, Michael J. Anghel provided us with a “Declaration of Competence” prior to the publication of the notice of extraordinary general meeting of shareholders, declaring that he fulfills all the qualifications of an external director under the Companies Law and that he has the requisite accounting and financial expertise. Such declaration also includes a confirmation of fulfillment of the qualifications of an independent director and member of an audit committee under the applicable SEC rules and regulations and the NYSE American Company Guide. Such declarations are available for review at our offices, at the address set forth above, during regular business hours.

Our Board of Directors previously determined that our Board of Directors should include at least two directors who have “accounting and financial expertise” as such term is defined in the Israeli Companies Law and regulations promulgated thereunder. Dr. Anghel was determined by our Board of Directors to be one of the “accounting and financial experts” under the Israeli Companies Law and these regulations, based, among others, upon his qualifications and experience. Our Audit Committee and Board of Directors approved and recommended that our shareholders approve, the appointment of Dr. Anghel as an external director for an initial term of three years, commencing on the date of the Meeting. Our Audit Committee and our Board of Directors noted Dr. Anghel’s significant experience, financial expertise, understanding and knowledge, including Dr. Anghel’s experience as a board member and member of audit and compensation committees of a number of public companies traded in the US markets and in Israel, such as our company. Our Audit Committee and Board of Directors further determined that in light of his expertise and expected contribution to the work of the Board of Directors and its committees, the appointment of Dr. Anghel as an external director is in the best interest of the Company.

The following information is supplied with respect to Dr. Anghel, who is nominated for the position of external director and recommended to be elected by our Board of Directors and is based upon information furnished to the Board of Directors by the nominee:

Dr. Michael J. Anghel, age 79 - From 1977 to 1999, Dr. Anghel led the Discount Investment Corporation Ltd. (of the IDB Group) activities in the fields of technology and communications. Dr. Anghel was instrumental in founding Tevel, one of the first Israeli cable television operators and later in personally managing the founding of Cellcom Israel Ltd. (NYSE; TASE: CEL), the largest cellular operator in Israel. In 1999 he founded CAP Ventures, an advanced technology investment company. From 2004 to 2005, Dr. Anghel served as CEO of DCM, the investment banking arm of the Israel Discount Bank. He has been involved in various technology enterprises and has served on the board of directors of various major Israeli corporations and financial institutions including Elron Electronic Industries Ltd., Elbit Systems Ltd., Nice Ltd., Gilat Satellite Networks Ltd., American Israeli Paper Mills Ltd., Maalot (the Israeli affiliate of Standard and Poor’s), Hapoalim Capital Markets Ltd., Syneron Medical Ltd., Dan Hotels Ltd., the Strauss Group Ltd. and Partner Communications Company Ltd. He also served until recently as the Chairman of the Israeli Center for Educational Technology (Matach). Dr. Anghel currently serves on the board of directors of Orbotech Ltd. (NASDAQ: ORBK), Lumus Ltd. and BiolineRx Ltd. (NASDAQ; TASE: BLRX). On all boards of directors of the publicly traded companies he served as member or chairman of the audit committees. Prior to launching his business career, Dr. Anghel served as a full-time member of the Recanati Graduate School of Business Administration of the Tel Aviv University, where he taught finance and corporate strategy. He currently serves as Chairman of the Tel Aviv University’s Executive Program. Dr. Anghel holds a B.A. in economics from the Hebrew University in Jerusalem and an M.B.A. and Ph.D. in finance both from Columbia University in New York.

Required Vote

Pursuant to the Companies Law, the election of an external director for an initial service term (as is the case with Dr. Anghel’s nomination) requires the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, provided that either (i) at least a majority of the shares of non-controlling shareholders and shareholders who do not have a personal interest in the resolution (excluding a personal interest that is not related to a relationship with the controlling shareholders) are voted in favor of the election of the external director or (ii) the total number of shares of non-controlling shareholders and of shareholders who do not have a personal interest in the resolution (excluding a personal interest that is not related to a relationship with the controlling shareholders) voted against the election of the external director does not exceed two percent of the outstanding voting power in the company.

Mr. Shlomo Nehama, our Chairman of the Board and a director nominee, Nechama Investments and Kanir, and Mr. Ran Fridrich, our Chief Executive Officer, and Mr. Hemi Raphael, who are both members of our Board of Directors and director nominees, are each deemed to be our “controlling shareholders” for purposes of Sections 268 and 239 of the Companies Law due to their holdings as set forth above, their respective positions with such entities and the 2008 Shareholders Agreement.

The Companies Law requires that each shareholder voting on the proposal indicate whether or not the shareholder has a personal interest in the proposal (excluding, as mentioned above, a personal interest that is not related to a relationship with the controlling shareholders). Otherwise, the shareholder is not eligible to vote on this proposal. Under the Companies Law, a “personal interest” of a shareholder (i) includes a personal interest of any member of the shareholder’s family or of the shareholder’s spouse’s family (or a spouse thereof) or a personal interest of a company with respect to which the shareholder (or any of the aforementioned family members) serves as a director or chief executive officer, owns at least 5% of the shares or has the right to appoint a director or chief executive officer, and (ii) excludes an interest arising solely from the ownership of our ordinary shares. Under the Companies Law, in the case of a person voting by proxy for another person, “personal interest” includes a personal interest of either the proxy holder or the shareholder granting the proxy, whether or not the proxy holder has discretion how to vote. Shareholders who hold their shares through banks, brokers or other nominees that are members of the TASE should indicate whether or not they have a personal interest as explained above on the form of the deed of vote that we will file on MAGNA, the website of the Israel Securities Authority.

Proposal

At the Meeting, our Board of Directors will propose that the following resolution be adopted:

“RESOLVED, to elect Dr. Michael J. Anghel as an external director for an initial term of three years, commencing on the date of the Meeting.”

Upon the receipt of a properly signed and dated proxy, which includes an indication as to whether or not the shareholder is a controlling shareholder or has a “personal interest” as explained above, and unless otherwise instructed in the proxy, either of the persons named in the enclosed proxy will vote the shares represented thereby “**FOR**” the above-mentioned proposal.

ITEM 2

TERMS OF SERVICE OF EXTERNAL DIRECTOR

Background

At the Meeting, our shareholders will be asked to approve the compensation of the newly elected external director. The compensation of an external director is governed by the Companies Regulations (Rules for Compensation and Expenses of External Directors), 5760-2000, or the Compensation Regulations, is required to be approved at the general meeting at which the external director is elected and cannot generally be revised during the external director’s term in office.

General

The proposed terms of service for the external director nominee during his initial three-year term are as follows:

External Directors’ Fees

The Compensation Regulations set forth a range of fees that may be paid by Israeli public companies to their external directors, depending upon each company’s equity based on the most recent financial statements. If elected, the external director nominee will be entitled to receive annual and attendance fees equal to the minimum cash amounts permitted to be paid to our external directors pursuant to the Compensation Regulations based on our current shareholders’ equity. The current minimum cash amounts permitted to be paid to our external directors pursuant to the Compensation Regulations are an annual fee of NIS 52,160 (equivalent to approximately \$13,832) and an attendance fee of NIS 1,845 (equivalent to approximately \$490) per meeting (board or committee). According to the Compensation Regulations, an external director is entitled to 60% of the meeting fee if he participated in the meeting by means of communication and not in person, and to 50% of the meeting fee if resolutions were approved in writing, without convening a meeting.

All cash amounts set forth above are updated once a year based on increases in the Israeli consumer price index as compared to the base index set forth in the Compensation Regulations, and are subject to changes in the amounts payable pursuant to Israeli law from time to time.

External Directors' Options

As previously approved by our shareholders, each of our current and future non-employee directors are entitled to receive an annual grant of options to purchase 1,000 ordinary shares, currently representing less than 0.01% of our outstanding ordinary shares, under the terms and conditions set forth in our 1998 Option Plan. Under the 1998 Option Plan, each non-employee director will automatically receive on such director's first day as a director an option to purchase up to 1,000 ordinary shares pro-rated based on the number of full months of service between the prior Grant Date (i.e., August 1, 2018) and the next Grant Date (i.e., August 1, 2019). Each such non-employee director would also automatically receive, on each subsequent Grant Date (i.e. August 1 of each year following the date of appointment), an option to purchase 1,000 ordinary shares provided that he or she is a non-employee director on the relevant Grant Date and has served as a non-employee director for the entire period since his or her previous Grant Date. These options are valid for a period of 10 years (subject to certain exceptions detailed in the 1998 Option Plan) and have an exercise price equal to market value (the average closing bid and sale prices of the ordinary shares on the grant date, on the market on which the shares are traded).

Based on the terms of the compensation policy applicable to our office holders, or the Compensation Policy, and the terms of our 1998 Option Plan, the options granted to our non-employee directors under the 1998 Option Plan vest in one installment on the first anniversary of the grant date of the options, provided that the option holder still serves as a member of our Board of Directors on such date (otherwise, the unvested options will immediately expire on the date of Termination of Service, as such term is defined in the 1998 Option Plan).

Therefore, on his first day of service as an external director, the external director nominee will be entitled to receive a grant of options to acquire 500 ordinary shares (based on the service term of February 2019 – July 2019), currently representing less than 0.005% of our outstanding ordinary shares, which will vest on the first anniversary of his service as a member of our Board of Directors (provided that the external director nominee still serves as a member of our Board of Directors on such date). Thereafter, on each August 1, the external director nominee will be entitled to option grants as described above.

Indemnification, Exemption and Insurance

As previously approved by our Compensation Committee, Board of Directors and shareholders, most recently at the annual general meeting of our shareholders held on June 21, 2018, or the 2018 AGM, and based on the terms of our Compensation Policy, the external director nominee will be entitled to receive an indemnification undertaking and exemption letter from us and to be included in our directors and officers liability insurance policy.

The form of indemnification undertaking and exemption letter was attached as Appendix B to the proxy statement published in connection with the 2018 AGM and furnished to the SEC on Form 6-K on May 17, 2018 and the terms of our directors and officers liability insurance policy were also approved at the 2018 AGM and are included in the aforementioned proxy statement.

In accordance with our Compensation Policy, our Compensation Committee and Board of Directors approved, and recommend that our shareholders approve, the terms of service of the external director nominee as set forth hereinabove, and determined that this resolution is for the benefit of the Company.

Required Vote

Pursuant to Section 273 of the Companies Law, the terms of service of members of our Board of Directors that are in accordance with our Compensation Policy generally require the approval of our Compensation Committee, Board of Directors and the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and voting on the matter. The Compensation Regulations require, among other things, that the payment of minimum permitted annual fee and attendance fee and the grant of options to external directors be approved at the shareholders' meeting in which such external director is appointed. The grant of options to an external director generally requires the same "special majority" that is required for the election of the external director (or reelection in the event the external director is nominated by the board of directors), including the requirement to mark whether or not the shareholder as a "personal interest" in the adoption of the resolution. For more information concerning such "special majority" requirement, see "Item 1 – Election of External Director; Required Vote."

Proposal

At the Meeting, our Board of Directors will propose that the following resolution be adopted:

“RESOLVED, to approve the terms of service of the external director nominee, all as described in the Proxy Statement relating to the Meeting, and to determine that this resolution is for the benefit of the Company.”

Upon the receipt of a properly signed and dated proxy, which, with respect to the applicable portion of this resolution, includes an indication as to whether or not the shareholder has a “personal interest” as explained above, and unless otherwise instructed in the proxy, either of the persons named in the enclosed proxy will vote the shares represented thereby “**FOR**” the above-mentioned proposal.

PROPOSALS OF SHAREHOLDERS

Any of our shareholders who intend to present a proposal at a shareholders’ meeting must satisfy the requirements of the Companies Law. Under the Companies Law, only shareholders who severally or jointly hold at least one percent (1%) of our outstanding voting rights are entitled to request that our Board of Directors include a proposal, in a future shareholders’ meeting, provided that such proposal is appropriate to be discussed in such meeting. Any shareholders of the Company who intend to present proposals at the Meeting must submit their proposals in writing to us at the address set forth above, attention: CEO, by no later than December 27, 2018. If our Board of Directors determines that a shareholder proposal is appropriate for inclusion in the agenda in the Meeting, we will publish a revised agenda for the Meeting no later than January 3, 2019 by way of issuing a press release and submitting a Current Report on Form 6-K to the SEC and the ISA.

OTHER BUSINESS

The Board of Directors is not aware of any other matters that may be presented at the Meeting other than those mentioned in the attached Company’s Notice of Extraordinary General Meeting of Shareholders. If any other business is properly brought before the Meeting, it is intended that the persons named as proxies, or either one of them, will vote the shares in accordance with the recommendation of our Board of Directors.

By Order of the Board of Directors,

/s/ Shlomo Nehama
