Ellomay Capital Announces Board Approval of a \$3 Million Share Buyback Program

Tel-Aviv, Israel, May 1, 2015 – **Ellomay Capital Ltd. (NYSE MKT: ELLO; TASE: ELOM)** (“**Ellomay**” or the “**Company**”), announced today that its Board of Directors approved the repurchase of up to \$3 million of its ordinary shares. The authorized repurchases will be made from time to time in the open market on the NYSE MKT and Tel Aviv Stock Exchange. The timing, volume and nature of share repurchases will be at the sole discretion of management and will be dependent on regulatory restrictions, market conditions, the price and availability of the Company’s ordinary shares, applicable securities laws and other factors, including compliance with the terms of the Company’s Series A Debentures. No assurance can be given that any particular amount of ordinary shares will be repurchased. The buyback program does not obligate the Company to acquire a specific number of shares in any period, and it may be modified, suspended, extended or discontinued at any time, without prior notice.

“As part of the Company’s work plan, we recently reported the adoption of a dividend distribution policy that also covers a repurchase of our shares,” noted Ran Fridrich, CEO and director of Ellomay. Mr. Fridrich continued: “As the Company is traded under its equity, the Company’s board of directors and management resolved that the advisable step for the Company at this point is a buyback of the Company’s shares.”
