RECORD DATE; QUORUM

Only shareholders of record at the close of business on May 19, 2015 are entitled to notice of, and to vote at, the Meeting or any adjournment(s) or postponement(s) thereof. As of May 14, 2015, we had 10,692,371 issued and outstanding ordinary shares (this number does not include 85,655 ordinary shares all of which were repurchased by us, that were held by us at that date by us as treasury shares under Israeli law). Each ordinary share, other than ordinary shares held by us as treasury shares, is entitled to be counted for purposes of a quorum and to one vote on each matter to be voted on at the Meeting. Our Articles do not provide for cumulative voting for the election of directors or for any other purpose.

The presence at the Meeting, in person or by proxy, of two or more shareholders holding more than 25% of the voting rights of the Company, will constitute a quorum. All ordinary shares represented in person or by proxy (including broker non-votes and shares that abstain or do not vote with respect to one or more of the matters to be voted upon) will be counted for purposes of determining whether a quorum exists. If within half an hour from the time appointed for the Meeting a quorum is not present, the meeting shall stand adjourned on the same day, in the next week, at the same time and place. The requisite quorum at an adjourned meeting shall be any two or more shareholders, present in person or by proxy at the meeting.

VOTING RIGHTS; REQUIRED VOTES

The votes of all shareholders voting on a proposal are counted. Abstentions and broker non-votes will not be treated as either a vote "for" or "against" a proposal. "Broker non-votes" are shares held by brokers or other nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner of the shares. Brokers and other nominees have discretionary voting authority under the applicable rules of the New York Stock Exchange to vote on "routine" matters. Please note that the uncontested election of directors is not considered a "routine" matter under such rules. This means that if a brokerage firm holds your shares on your behalf, those shares will not be voted in the election of directors, or with respect to the other non-routine matters on the agenda of the Meeting, unless you provide voting instructions to your brokerage firm or obtain a proxy from your brokerage firm and vote the shares yourself, in person or by proxy.

Each of the resolutions to be presented at the Meeting requires the affirmative vote of holders of at least a majority of the ordinary shares voted in person or by proxy at the Meeting on the matter presented for passage. However, the approval of the proposals under Items 2, 4 and 5 and of a portion of the proposals under Items 3 and 6 are required to comply with additional special “disinterested” voting requirements as set forth herein. Item 8 does not require a shareholder vote.

While the portion of the proposal under Item 6 concerning the provision of liability insurance for our current and future office holders (as defined below) who are also deemed to be controlling shareholders (currently Messrs. Nehama, Fridrich and Raphael) is ordinarily subject to shareholder approval with a special “disinterested” majority, it is exempt from such approval under the Companies Regulations (Relief for Transactions with Interested Parties), 2000, or the Relief Regulations, and pursuant to the determination of the Compensation Committee and Board of Directors of the Company described more fully in Item 6 below. Nevertheless, pursuant to Regulation 1[3](a) of the Relief Regulations, one or more of our shareholders holding at least 1% of our issued share capital or our voting rights have the right to oppose such exemption in writing. ANY OPPOSITION MUST BE RECEIVED BY US NO LATER THAN 14 DAYS FOLLOWING THE PUBLICATION OF THIS PROXY STATEMENT. In the event of such opposition, the provision of liability insurance for our current and future office holders who are also deemed to be controlling shareholders will require the approval of our shareholders by the special majority described in Item 6.

TERMS OF SERVICE AND EMPLOYMENT OF EXECUTIVE OFFICERS AND DIRECTORS

For information concerning the terms of service and employment of our five most highly compensated office holders during or with respect to the year ended December 31, 2014 see “Item 6.B: Directors, Senior Management and Employees; Compensation” of our Annual Report on Form 20-F for the year ended December 31, 2014, filed with the Securities and Exchange Commission, or the SEC, on April 30, 2015. An “office holder” is defined under the Israeli Companies Law, 1999, or, as amended from time to time, the Companies Law, as a general manager, chief business manager, vice general manager, any other person assuming the responsibilities of any of the foregoing positions without regard to such person’s title, and a director, or manager directly subordinate to the general manager.

PRINCIPAL SHAREHOLDERS

The following table sets forth information regarding the beneficial ownership of our ordinary shares by each person known by us, to the best of our knowledge, to be the beneficial owner of more than 5.0% of our ordinary shares as of May 1, 2015 (except as otherwise indicated below). Each of our shareholders has identical voting rights with respect to each of its shares.

To our knowledge, except as otherwise indicated in the footnotes to this table, each shareholder in the table has sole voting and investment power for the ordinary shares shown as beneficially owned by them.

	Ordinary Shares Beneficially Owned⁽¹⁾	Percentage of Ordinary Shares Beneficially Owned
Shlomo Nehama ⁽²⁾⁽⁵⁾	4,016,842	37.6%
Kanir Joint Investments (2005) Limited Partnership ⁽³⁾⁽⁴⁾⁽⁵⁾⁽⁶⁾	2,786,397	26.1%

- (1) As used in this table, “beneficial ownership” means the sole or shared power to vote or direct the voting or to dispose or direct the disposition of any security as determined pursuant to Rule 13d-3 promulgated under the U.S. Securities Exchange Act of 1934, as amended. For purposes of this table, a person is deemed to be the beneficial owner of securities that can be acquired within 60 days from May 1, 2015 through the exercise of any option or warrant. Ordinary shares subject to options or warrants that are currently exercisable or exercisable within 60 days are deemed outstanding for computing the ownership percentage of the person holding such options or warrants, but are not deemed outstanding for computing the ownership percentage of any other person. The amounts and percentages are based on a total of 10,692,371 ordinary shares outstanding as of May 1, 2015. This number of outstanding ordinary shares does not include a total of 85,655 ordinary shares held at that date as treasury shares under Israeli law, all of which were repurchased by us. For so long as such treasury shares are owned by us they have no rights and, accordingly, are neither eligible to participate in or receive any future dividends which may be paid to our shareholders nor are they entitled to participate in, be voted at or be counted as part of the quorum for, any meetings of our shareholders.
- (2) Based upon a Schedule 13D/A filed with the SEC on September 3, 2013 and on previous Schedule 13D filings by the persons referenced herein. The 4,016,842 ordinary shares beneficially owned by Mr. Nehama consist of: (i) 3,551,869 ordinary shares held by S. Nechama Investments (2008) Ltd., or Nechama Investments, which constitute approximately 33.2% of our outstanding ordinary shares and (ii) 464,973 ordinary shares held directly by Mr. Nehama, which constitute approximately 4.4% of our outstanding ordinary shares. Mr. Nehama, as the sole officer, director and shareholder of Nechama Investments, may be deemed to indirectly beneficially own any ordinary shares owned by Nechama Investments, which constitute (together with his shares) approximately 37.6% of our outstanding ordinary shares.
- (3) Based upon a Schedule 13D/A filed with the SEC on September 3, 2013 and on previous Schedule 13D filings by the persons referenced herein. Kanir Joint Investments (2005) Limited Partnership, or Kanir, is an Israeli limited partnership. Kanir Investments Ltd., or Kanir Ltd., in its capacity as the general partner of Kanir, has the voting and dispositive power over the ordinary shares directly beneficially owned by Kanir. As a result, Kanir Ltd. may be deemed to indirectly beneficially own the ordinary shares beneficially owned by Kanir. Messrs. Hemi Raphael and Ran Fridrich, who are members of our Board of Directors, are the sole directors of Kanir Ltd. and Mr. Raphael is a majority shareholder of Kanir Ltd. As a result, Messrs. Raphael and Fridrich may be deemed to indirectly beneficially own the ordinary shares beneficially owned by Kanir, which constitute, together with their holdings as set forth in footnote (4), 30.3% and 27.2%, respectively, of our outstanding ordinary shares. Kanir Ltd. and Messrs. Raphael and Fridrich disclaim beneficial ownership of such ordinary shares except to the extent of their respective pecuniary interest therein, if any.
- (4) Based upon a Schedule 13D/A filed with the SEC on September 3, 2013 and on previous Schedule 13D filings by the persons referenced herein. Mr. Raphael beneficially owns 454,524 ordinary shares, consisting of: (i) 314,514 ordinary shares held by a BVI private company wholly-owned by Mr. Raphael, which constitute approximately 2.9% of our outstanding shares and (ii) 140,010 ordinary shares held directly by Mr. Raphael, which constitute approximately 1.3% of our outstanding shares. Mr. Raphael, as the sole shareholder of such private company, may be deemed to indirectly beneficially own any ordinary shares beneficially owned by such private company, which constitute (together with the shares held directly by him) approximately 4.3% of our outstanding ordinary shares. Mr. Fridrich directly owns 116,787 ordinary shares, which constitute approximately 1.1% of our outstanding shares.

- (5) Based upon a Schedule 13D/A filed with the SEC on September 3, 2013 and on previous Schedule 13D filings by the persons referenced herein. On March 24, 2008, Kanir and Nechama Investments entered into a shareholders agreement, or the 2008 Shareholders Agreement. By virtue of the 2008 Shareholders Agreement, Mr. Nehama, Nechama Investments, Kanir, Kanir Ltd., and Messrs. Raphael and Fridrich may be deemed to be members of a group that holds shared voting power with respect to 6,338,266 ordinary shares, which constitute approximately 59.3% of our outstanding ordinary shares, and holds shared dispositive power with respect to 5,356,878 ordinary shares, which constitute 50.1% of the outstanding ordinary shares. Accordingly, taking into account the shares directly held by Messrs. Nehama, Raphael (taking into account also shares held by the private company wholly-owned by him) and Fridrich, they may be deemed to beneficially own approximately 63.6%, 63.5% and 60.4%, respectively, of our outstanding ordinary shares. Each of Mr. Nehama and Nechama Investments disclaims beneficial ownership of the ordinary shares beneficially owned by Kanir. Each of Kanir, Kanir Ltd. and Messrs. Raphael and Fridrich disclaims beneficial ownership of the ordinary shares beneficially owned by Nechama Investments. A copy of the 2008 Shareholders Agreement was filed with the SEC on March 31, 2008 as Exhibit 14 to an amendment to a Schedule 13D and is not incorporated by reference herein.

Bonstar is a limited partner of Kanir and assisted Kanir in the financing of the purchase of some of its ordinary shares. Accordingly, Bonstar may be deemed to be a member of a group with Kanir and its affiliates, although there are no agreements between Bonstar and either of such persons and entities with respect to the ordinary shares beneficially owned by each of them. Mr. Joseph Mor and Mr. Ishay Mor are the sole shareholders of Bonstar and Mr. Joseph Mor serves as the sole director of Bonstar. Messrs. Joseph Mor and Ishay Mor also hold, through a company jointly held by them, 175,000 ordinary shares, which constitute approximately 1.6% of the outstanding ordinary shares. By virtue of their control over Bonstar and the other company, Messrs. Joseph Mor and Ishay Mor may be deemed to indirectly beneficially own the 408,258 ordinary shares beneficially owned by Bonstar and by the other company, which constitute approximately 3.8% of the ordinary shares. Each of Bonstar and Messrs. Joseph Mor and Ishay Mor disclaims beneficial ownership of the ordinary shares beneficially owned by Kanir and Nechama Investments, except to the extent of their respective pecuniary interest therein, if any.

Our Articles provide that, unless otherwise prescribed by a resolution adopted at a meeting of our shareholders, the Board shall consist of not less than four (4) nor more than eight (8) directors (including the external directors appointed as required under the Companies Law). The directors (other than the external directors) are elected annually at our annual general meeting of shareholders and remain in office until the next annual general meeting, unless a director has previously resigned, vacated his/her office, or was removed in accordance with our Articles. Our Board of Directors may elect additional directors to the Board of Directors.

Our Board of Directors is currently composed of the following six directors: Shlomo Nehama, Ran Fridrich, Hemi Raphael, Anita Leviant, Barry Ben Zeev and Mordechai Bignitz. General

We are unaware of any reason why any of the nominees, if elected, should be unable to serve as a member of our Board of Directors. All nominees listed below have advised the Board of Directors that they intend to serve as members of the Board of Directors if elected.

Pursuant to the requirements of Section 224B(a) of the Companies Law, each of the director nominees provided us with a “Declaration of Competence” prior to the publication of the notice of annual general meeting of shareholders. The current minimum cash amounts applicable to us pursuant to the Compensation Regulations are an annual fee of NIS 52,585 (equivalent to approximately \$13,595) and an attendance fee of NIS 1,860 (equivalent to approximately \$481) per meeting (board or committee). These amounts are updated twice a year based on increases in the Israeli Consumer Price Index as compared to the base index set forth in the Compensation Regulations. According to the Compensation Regulations, which we apply to all our non-executive directors, the directors are entitled to 60% of the meeting fee if they participated at the meeting by teleconference and not in person, and to 50% of the meeting fee if resolutions were approved in writing, without convening a meeting. Messrs. Nehama, Fridrich and Raphael waived their right to receive the aforementioned director fees and options in connection with the execution of a management services agreement, or the Management Services Agreement, among us, Kanir and Meisaf Blue & White Holdings Ltd., or Meisaf. Based on the terms of the Management Services Agreement, as amended at our 2013 annual general meeting, in consideration of the performance of the management services and the board services, we agreed to pay Kanir and Meisaf an aggregate annual services fee in the amount of \$400,000 plus value added tax pursuant to applicable law, in equal parts and quarterly payments. The current term of the Management Services Agreement is until the earlier of: (i) June 17, 2016, (ii) the termination of service of either of the Kanir and Nechama Investments affiliates on our Board of Directors, or (iii) a date that is six (6) months following the delivery of a written termination notice by Meisaf and Kanir to the Company or by the Company to Meisaf and Kanir.

Each of our directors also received an indemnification undertaking and an exemption letter, forms of which were attached as exhibits to our annual report on Form 20-F for the year ended December 31, 2012, or our 2012 Annual Report, and each of them is also included in our directors and officers' liability insurance policy. For more information concerning these indemnification undertakings, exemption letters and directors and officers' liability insurance policy, see Items 4, 5 and 6, respectively.

Required Vote

The adoption of this proposal requires the affirmative vote of a majority of the ordinary shares of the Company voted in person or by proxy at the Meeting.

Proposal

At the Meeting, our Board of Directors will propose that the following resolution be adopted:

“RESOLVED, to reelect each of Shlomo Nehama, Ran Fridrich, Hemi Raphael and Anita Leviant, as directors of the Company to hold office until the next annual general meeting of the Company's shareholders and until their respective successors are duly elected and qualified.”

Shareholders may vote on the appointment of each director nominee separately on the attached proxy card. Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, either of the persons named in the enclosed proxy will vote the shares represented thereby “**FOR**” the above-mentioned proposal.

ITEM 2

REELECTION OF EXTERNAL DIRECTOR

Background

Companies incorporated under the laws of Israel whose shares have been offered to the public, such as our company, are required by the Companies Law to have at least two external directors. Each external director may serve for up to three terms of three years. Thereafter, an external director may be reelected by our shareholders for additional periods of up to three years each only if our Audit Committee and our Board of Directors confirm that, in light of the external director's expertise and special contribution to the work of the Board of Directors and its committees, the reelection for such additional period is beneficial to us and the reasons for such proposed reelection are presented to our shareholders. Our other directors are elected annually.

Our currently serving external directors are Mordechai Bignitz, whose service term is due to end on December 19, 2017 and Barry Ben Zeev, whose service term is due to end on December 29, 2015. Mr. Ben Zeev was elected for his first three-year term in the general meeting of our shareholders held on December 30, 2009 and for his second three-year term in the general meeting of our shareholders held on June 20, 2012, or the 2012 Shareholders Meeting, and is standing for reelection for an additional three-year term, commencing December 30, 2015.

The Companies Law prescribes the requirements and qualifications of an external director. Among other requirements and limitations, in order to qualify as an external director an individual may not be a relative of a controlling shareholder and she or he, or her or his relative, partner, employer, direct or indirect supervisor or an entity she or he controls, may not have, and may not have had at any time during the previous two years, any affiliation to the company, the controlling shareholder of the company or a relative of the controlling shareholder of the company or to an entity that, on the date of appointment of during the preceding two years, is or was controlled by the company or by the company's controlling shareholder. The term affiliation includes: an employment relationship, a business or professional relationship maintained on a regular basis, control, and service as an office holder. In addition, no individual may serve as an external director if the individual's position or other activities create or may create a conflict of interest with his or her role as an external director or if she or he, or her or his relative, partner, employer, direct or indirect supervisor, or an entity she or he controls, has other than negligible business or professional relations with any of the persons with which the external director himself may not be affiliated, even if such relations are not routine. In addition, at least one of the external directors must have "accounting and financial expertise" and any other external director must have "accounting and financial expertise" or "professional qualification," as such terms are defined by regulations promulgated under the Companies Law.

For a period of two years following the termination of services as an external director, the company, its controlling shareholder and any entity the controlling shareholder controls may not provide any benefit to such former external director, directly or indirectly. The prohibited benefits include the appointment as an office holder in the company or the controlled entity, employment of, or receipt of professional services from, the former external director for compensation, including through an entity such former external director controls. The same prohibition applies to the former external director's spouse and child for the same two-year period and to other relatives of the external director for a period of one year following the termination of services as an external director.

All of the external directors of a company must be members of its audit committee and compensation committee and at least one external director is required to serve on every committee authorized to exercise any of the powers of the board of directors. Mr. Ben Zeev serves as the chairman of our Audit Committee and Compensation Committee.

General

At the Meeting, our shareholders will be asked to reelect Barry Ben Zeev as an external director for an additional term of three years, commencing December 30, 2015. We are unaware of any reason why Mr. Ben Zeev, if elected, should be unable to serve as a member of our Board of Directors. If Mr. Ben Zeev is unable to serve, the persons named in the proxy, or either one of them, will vote the shares represented thereby "**FOR**" the election of another nominee proposed by our Board of Directors. Mr. Ben Zeev advised the Board of Directors that he intends to serve as a member of the Board of Directors if elected.

Pursuant to the requirements of Section 241 of the Companies Law, Mr. Ben Zeev provided us with a "Declaration of Competence" prior to the publication of the notice of annual general meeting of shareholders, declaring that he fulfills all the qualifications of an external director under the Companies Law and that he has the requisite accounting and financial expertise. Such declaration also includes a confirmation of fulfillment of the qualifications of an independent director and member of an audit committee under the applicable SEC rules and regulations and the NYSE MKT Company Guide. Such declarations are available for review at our offices, at the address set forth above, during regular business hours.

The following information is supplied with respect to Mr. Ben Zeev , who is nominated for the position of external director and recommended to be elected by our Board of Directors and is based upon our records and information furnished to the Board of Directors by the nominee:

Barry Ben Zeev has served as an external director of Ellomay since December 30, 2009. Mr. Ben Zeev is a business strategic consultant. From 1978 to 2008, Mr. Ben Zeev served in various positions with Bank Hapoalim. During 2008, he served as the bank's Deputy CEO and as its CFO, in charge of the financial division. From 2001 to 2007, he served as the bank's Deputy CEO in charge first of the private international banking division and then of the client asset management division. Mr. Ben Zeev has served on the board of many companies, including as a director on the board of the Israeli Stock Exchange in 2006-2007. He currently serves as a director of Partner Communications Ltd. (NASDAQ and TASE: PTNR), Kali Equity Markets, Hiron-Trade Investments & Industries Buildings Ltd. (TASE: HRON) and Poalim Asset Management (UK) Ltd., a subsidiary of Bank Hapoalim B.M. and on the advisory board of the Bereshit Fund. Mr. Ben Zeev also serves as an independent director and Head of Investment Committee at Altshuler Shaham Pension & Gemel B.M. and as Chairman of Hapoel Tel Aviv Football Club. Mr. Ben Zeev holds an MBA from Tel-Aviv University specializing in financing, and a BA in Economics from Tel-Aviv University.

Required Vote

Pursuant to the Companies Law, the reelection of an external director nominated by a company's board of directors (as is the case with Mr. Ben Zeev's nomination) requires the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, provided that either (i) at least a majority of the shares of non-controlling shareholders and shareholders who do not have a personal interest in the resolution (excluding a personal interest that is not related to a relationship with the controlling shareholders) are voted in favor of the election of the external director or (ii) the total number of shares of non-controlling shareholders and of shareholders who do not have a personal interest in the resolution (excluding a personal interest that is not related to a relationship with the controlling shareholders) voted against the election of the external director does not exceed two percent of the outstanding voting power in the company. The Companies Law sets forth different majority requirements in the event the external director nominates himself for reelection or is nominated for reelection by one of the company's shareholders.

Mr. Shlomo Nehama, our Chairman of the Board and a director nominee, Nechama Investments and Kanir, and Mr. Ran Fridrich, our Chief Executive Officer, and Mr. Hemi Raphael, who are both members of our Board of Directors and director nominees, are each deemed to be our "controlling shareholders" for purposes of Section 268 of the Companies Law due to their holdings as set forth above, their respective positions with such entities and the 2008 Shareholders Agreement.

The Companies Law requires that each shareholder voting on the proposal indicate whether or not the shareholder has a personal interest in the proposal (excluding, as mentioned above, a personal interest that is not related to a relationship with the controlling shareholders). Otherwise, the shareholder is not eligible to vote on this proposal. Under the Companies Law, a "personal interest" of a shareholder (i) includes a personal interest of any member of the shareholder's family or of the shareholder's spouse's family (or a spouse thereof) or a personal interest of a company with respect to which the shareholder (or any of the aforementioned family members) serves as a director or chief executive officer, owns at least 5% of the shares or has the right to appoint a director or chief executive officer, and (ii) excludes an interest arising solely from the ownership of our ordinary shares. Under the Companies Law, in the case of a person voting by proxy for another person, "personal interest" includes a personal interest of either the proxy holder or the shareholder granting the proxy, whether or not the proxy holder has discretion how to vote. Shareholders who hold their shares through banks, brokers or other nominees that are members of the TASE should indicate whether or not they have a personal interest as explained above on the form of the deed of vote that we will file on MAGNA, the website of the Israel Securities Authority.

Proposal

At the Meeting, our Board of Directors will propose that the following resolution be adopted:

“RESOLVED, to reelect Barry Ben Zeev as an external director for an additional term of three years, commencing December 30, 2015.”

Upon the receipt of a properly signed and dated proxy, which includes an indication as to whether or not the shareholder is a controlling shareholder or has a “personal interest” as explained above, and unless otherwise instructed in the proxy, either of the persons named in the enclosed proxy will vote the shares represented thereby “**FOR**” the above-mentioned proposal.

ITEM 3

TERMS OF SERVICE OF EXTERNAL DIRECTOR

Background

At the Meeting, our shareholders will be asked to approve the terms of service of the reelected external director. The compensation of an external director is governed by the Compensation Regulations, and cannot generally be revised during the external director's term in office (a period of three years).

General

Mr. Barry Ben Zeev previously received an indemnification undertaking (which includes an undertaking to provide liability insurance) and an exemption letter, both in the form attached as exhibits to our 2012 Annual Report, and is included in our directors and officers' liability insurance policy (for a discussion concerning the proposed increase to the coverage of our directors and officers' liability insurance policy, which, if approved, will also apply to Mr. Ben Zeev, see Item 6). In addition, Mr. Ben Zeev will be entitled to receive compensation as set forth below during his service term.

Directors' Fees

The Compensation Regulations set forth a range of fees that may be paid by Israeli public companies to their external directors, depending upon each company's equity based on the most recent financial statements. If reelected, Mr. Ben Zeev will be entitled to receive annual and attendance fees equal to the minimum cash amounts permitted to be paid to our external directors pursuant to the Compensation Regulations based on our current category and equity. The current minimum cash amounts permitted to be paid to our external directors pursuant to the Compensation Regulations are an annual fee of NIS 52,585 (equivalent to approximately \$13,595) and an attendance fee of NIS 1,860 (equivalent to approximately \$481) per board or committee meeting. According to the Compensation Regulations, an external director is entitled to 60% of the meeting fee if he participated in the meeting by means of communication and not in person, and to 50% of the meeting fee if resolutions were approved in writing, without convening a meeting.

All cash amounts set forth above are updated twice a year based on increases in the Israeli consumer price index as compared to the base index set forth in the Compensation Regulations, and are subject to changes in the amounts payable pursuant to Israeli law from time to time.

Directors' Options

As previously approved by our shareholders, each of our current and future non-employee directors are entitled to receive an annual grant of options to purchase 1,000 ordinary shares, currently representing less than 0.01% of our outstanding ordinary shares, under the terms and conditions set forth in our 1998 Option Plan. These options are valid for a period of 10 years (subject to certain exceptions detailed in the 1998 Option Plan) and have an exercise price equal to the average closing bid and sale prices of the ordinary shares on the grant date, on the market on which the shares are traded.

At our 2013 annual general meeting, our shareholders approved the compensation policy applicable to our office holders, or the Compensation Policy, and approved a change in the vesting schedule of options granted to our non-employee directors under the 1998 Option Plan. Pursuant to such approvals, the options granted to non-employee directors under the 1998 Option Plan are no longer exercisable upon issuance but rather vest in one installment on the first anniversary of the grant date of the options, provided that the option holder still serves as a member of our Board of Directors on such date (otherwise, the unvested options will immediately expire on the date of Termination of Service, as such term is defined in the 1998 Option Plan). As noted above, the terms of service of external directors cannot generally be revised during their term in office and therefore the change in the vesting schedule did not apply to our external directors. We propose that the options granted to Mr. Ben Zeev during his third term as external director vest in one installment on the first anniversary of the grant date of the options, provided that Mr. Ben Zeev still serves as a member of our Board of Directors on such date (otherwise, the unvested options will immediately expire on the date of Termination of Service, as such term is defined in the 1998 Option Plan).

In accordance with our Compensation Policy, our Compensation Committee and Board of Directors approved, and recommend that our shareholders approve, the terms of service of Mr. Barry Ben Zeev as set forth hereinabove.

Required Vote

Pursuant to Section 273 of the Companies Law, the terms of service of members of our Board of Directors that are in accordance with our Compensation Policy generally require the approval of our Compensation Committee, Board of Directors and the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and voting on the matter. The Compensation Regulations require, among other things, that the payment of minimum permitted annual fee and attendance fee and the grant of options to external directors be approved at the shareholders' meeting in which such external director is appointed.

In addition, pursuant to the Compensation Regulations, the grant of options to an external director requires the same "special majority" that is required for the election of the external director (or reelection in the event the external director is nominated by the board of directors), including the requirement to mark whether or not the shareholder as a "personal interest" in the adoption of the resolution, which are more fully described under "Item 2 – Reelection of External Director; Required Vote."

Proposal

At the Meeting, our Board of Directors will propose that the following resolution be adopted:

"RESOLVED, to approve the terms of service of Mr. Barry Ben Zeev for his third term as external director, all as described in the Proxy Statement relating to the Meeting, and to determine that this resolution is in the best interest of the Company."

Upon the receipt of a properly signed and dated proxy, which, with respect to the applicable portion of this resolution, includes an indication as to whether or not the shareholder has a "personal interest" as explained above, and unless otherwise instructed in the proxy, either of the persons named in the enclosed proxy will vote the shares represented thereby "**FOR**" the above-mentioned proposal.

ITEM 4

GRANT AND RENEWAL OF INDEMNIFICATION UNDERTAKINGS TO CURRENT AND FUTURE OFFICE HOLDERS DEEMED TO BE CONTROLLING SHAREHOLDERS

Background

The Companies Law permits an Israeli company to undertake to indemnify its office holders in advance and to provide liability insurance covering its office holders against and with respect to certain liabilities, subject to limitations that appear in the Companies Law and provided that such company's articles permit such indemnification and insurance. Our Articles permit us to provide such indemnification undertakings and to provide such insurance, subject to the limitations imposed by the Companies Law.

The Companies Law combined with the Israeli Securities Law (1968), or the Securities Law, and our Articles authorize us to indemnify our office holders for:

- (i) monetary liability imposed on them in favor of a third party by a judgment, including a settlement or a decision of an arbitrator which is given the force of a judgment by court order; provided that in the event an indemnification undertaking is granted in advance, such undertaking is limited to the classes of events which in the opinion of our Board can be anticipated in light of our activities at the time of giving the indemnification undertaking, and for an amount and/or criteria which our Board has determined are reasonable in the circumstances and, the events and the amounts or criteria that our Board deem reasonable in the circumstances at the time of giving of the undertaking are stated in the undertaking;
- (ii) reasonable litigation expenses, including legal fees, incurred by the office holder as a result of an investigation or proceeding instituted against such office holder by a competent authority, which investigation or proceeding has ended without the filing of an indictment or in the imposition of financial liability in lieu of a criminal proceeding, or has ended in the imposition of a financial obligation in lieu of a criminal proceeding for an offence that does not require proof of criminal intent (the phrases "proceeding that has ended without the filing of an indictment" and "financial obligation in lieu of a criminal proceeding" shall have the meanings ascribed to such phrases in Section 260(a)(1a) of the Companies Law) or in connection with an administrative enforcement proceeding or a financial sanction. Without derogating from the generality of the foregoing, such expenses will include a payment imposed on the office holder in favor of an injured party as set forth in Section 52[54](a)(1)(a) of the Securities Law, and expenses that the office holder incurred in connection with a proceeding under Chapters H'3, H'4 or I'1 of the Securities Law, including reasonable legal expenses, which term includes attorney fees; and
- (iii) reasonable litigation expenses, including legal fees, which the office holder has incurred or is obliged to pay by the court in proceedings commenced against him by the Company or in its name or by any other person, or pursuant to criminal charges of which he is acquitted or criminal charges pursuant to which he is convicted of an offence which does not require proof of criminal intent.

The Companies Law provides that a company may undertake to indemnify its office holders in advance if permitted by its articles of association and subject to certain conditions and limitations. Our Articles permit us to undertake to indemnify our office holders in advance subject to the restrictions set forth in the Companies Law.

In addition, the Companies Law provides that a company may not exempt or indemnify an office holder nor enter into an insurance contract which would provide coverage for liability incurred as a result of any of the following: (a) a breach by the office holder of his or her duty of loyalty (however, a company may insure and indemnify against such breach if the office acted in good faith and had reasonable cause to assume that his act would not prejudice the company's interests); (b) a breach by the office holder of his or her duty of care if the breach was done intentionally or recklessly, unless made in negligence only; (c) any act of omission done with the intent to derive an illegal personal benefit; or (d) any fine, civil fine, monetary sanction or penalty levied against the office holder. According to the Securities Law, a company cannot insure or indemnify an office holder for an Administrative Enforcement procedure, regarding payments to victims of the infringement or for expenses expended by the office holder with respect to certain proceedings held concerning him or her, including reasonable litigation expenses and legal fees.

General

Pursuant to the Companies Law, the terms of service of controlling shareholders, which include the provision of indemnification undertakings and the provision of liability insurance, cannot continue for more than three consecutive years unless re-approved by the compensation committee, board of directors and shareholders every three years. Our office holders who are also deemed to be controlling shareholders received indemnification undertakings from us, which as noted above include an undertaking to provide liability insurance, in connection with our 2012 Shareholders Meeting. Therefore, we are proposing to approve the grant and renewal of indemnification undertakings to current and future office holders deemed to be controlling shareholders in the form identical to the form of indemnification undertaking previously approved by our shareholders for grant to all of our current and future office holders, including those who are not deemed to be controlling shareholders. The form of indemnification undertaking is attached as Exhibit 4.3 to our 2012 Annual Report.

As permitted by our Articles, the indemnification undertaking is limited to certain categories of events and the aggregate indemnification amount that we shall pay (in addition to sums payable by insurance companies) for monetary liabilities imposed on, or incurred by, the director or officer pursuant to all the indemnification undertakings issued by us to our directors and officers, may not exceed an amount equal to the higher of: (i) fifty percent (50%) of our net equity at the time of indemnification, as reflected on our most recent financial statements at such time, or (ii) our annual revenue in the year prior to the time of indemnification.

In such indemnification undertakings, we also, among other things, undertake to (i) produce collateral, security, bond or any other guarantee that the director or officer may be required to produce as a result of any interim legal procedure (other than criminal procedures involving the proof of criminal thought), all up to the maximum indemnification amount set forth above; and (ii) maintain a liability insurance policy with a reputable insurer to the extent permitted by the Companies Law, for all of our directors and officers, in a total amount of not less than \$10 million during the period the recipient of the indemnity undertaking serves as a member of our board of directors or as an officer and for a period of seven years thereafter. For more information on our proposal to increase the coverage of our D&O liability insurance policy see Item 6 below.

In accordance with our Compensation Policy, our Compensation Committee and Board of Directors approved, and recommend that our shareholders approve, the grant and renewal of our form of indemnification undertaking, including the provision of liability insurance as set forth therein, to current and future office holders who are deemed to be controlling shareholders. In addition, in connection with such approval, our Audit Committee reviewed and confirmed that the indemnification undertaking proposed to be granted and renewed herein is the same as the form of indemnification undertaking previously and currently granted to our office holders who are not deemed to be controlling shareholders.

For the avoidance of doubt, if the proposal under this Item 4 is not approved, the validity of the provision of liability insurance to our current and future office holders who are deemed to be controlling shareholders as proposed under Item 6 herein will not be affected.

Required Vote

As noted under Item 2 of this Proxy Statement, Messrs. Nehama, Raphael and Fridrich are all deemed to be our “controlling shareholders” for purposes of Section 268 of the Companies Law. Pursuant to Sections 270(4) and 275 of the Companies Law, the approval of the terms of service of controlling shareholders, including the approval of indemnification undertakings and provision of liability insurance, requires the approval of our Compensation Committee, Board of Directors and the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and voting on the matter provided that at least one of the following conditions is met: (i) the shares voting in favor of the matter include at least a majority of the shares voted by shareholders who do not have a personal interest in the approval of the transaction or (ii) the total number of shares voted against the transaction by shareholders referenced under (i) does not exceed 2% of our outstanding voting rights.

Pursuant to Section 276 of the Companies Law, all shareholders are asked to indicate on the enclosed proxy card whether or not they have a personal interest in the approval of this proposal, otherwise, the shareholder is not eligible to vote on this proposal. For a discussion of the provisions of the Companies Law regarding personal interests, please see “Item 2 – Reelection of External Director; Required Vote.”

Proposal

At the Shareholders Meeting, the Board of Directors will propose that the following resolution be adopted:

“RESOLVED, to approve the grant and renewal of the Company’s form of indemnification undertaking, which includes an undertaking to provide liability insurance, to current and future office holders who are deemed to be controlling shareholders, and to determine that this resolution is in the best interest of the Company.”

Upon the receipt of a properly signed and dated proxy, which includes an indication as to whether or not the shareholder has a “personal interest” in the approval of this proposal, and unless otherwise instructed in the proxy, either of the persons named in the enclosed proxy will vote the shares represented thereby **“FOR”** the above-mentioned proposal.

ITEM 5

GRANT AND RENEWAL OF EXEMPTION LETTERS TO CURRENT AND FUTURE OFFICE HOLDERS DEEMED TO BE CONTROLLING SHAREHOLDERS

Background

Under the Companies Law, an Israeli company may not exempt an office holder from liability for a breach of his duty of loyalty, but may exempt in advance an office holder from his liability to the company, in whole or in part, for a breach of his duty of care, provided that in no event shall a director be exempt from any liability for damages caused as a result of a breach of his duty of care to the company in the event of a “distribution” (as defined in the Companies Law). Our Articles authorize us to, subject to the provisions of the Companies Law, exempt an office holder from all or part of such office holder’s responsibility or liability for damages caused to us due to any breach of such office holder’s duty of care towards us.

At the 2012 Shareholders Meeting, our shareholders approved, among other things, the renewal of exemption letters previously granted to our current and future office holders who are all deemed to be controlling shareholders, including to Messrs. Nehama, Fridrich and Raphael commencing December 30, 2012.

General

As explained under Item 4 above, the Companies Law requires that the terms of service of controlling shareholders, such as an exemption letter, be approved by the compensation committee, board of directors and shareholders every three years. Therefore, we are proposing to approve the grant and renewal of exemption letters to current and future office holders deemed to be controlling shareholders in the form identical to the form of exemption letter previously approved by our shareholders for grant to all of our current and future office holders, including those who are not deemed to be controlling shareholders. The form of exemption letter is attached as Exhibit 4.4 to our 2012 Annual Report.

In accordance with our Compensation Policy, our Compensation Committee and Board of Directors approved, and recommend that our shareholders approve, the grant and renewal of exemption letters to our office holders who are deemed to be controlling shareholders (currently Messrs. Nehama, Fridrich and Raphael), commencing December 30, 2015. For the avoidance of doubt, if the following proposal is not approved, the exemption letters previously provided to Messrs. Nehama, Fridrich and Raphael will remain in force until such date. In addition, in connection with such approval, our Audit Committee reviewed and confirmed that the exemption letter proposed to be granted and renewed herein is the same as the form of exemption letter previously and currently granted to our office holders who are not deemed to be controlling shareholders.

Required Vote

As noted under Item 2 of this Proxy Statement, Messrs. Nehama, Raphael and Fridrich are all deemed to be our “controlling shareholders” for purposes of Section 268 of the Companies Law and as noted under Item 4 of this Proxy Statement, the approval of the terms of service of controlling shareholders, including the provision of exemption letters, requires the approval of our Compensation Committee, Board of Directors and the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and voting on the matter provided that at least one of the following conditions is met: (i) the shares voting in favor of the matter include at least a majority of the shares voted by shareholders who do not have a personal interest in the approval of the transaction or (ii) the total number of shares voted against the transaction by shareholders referenced under (i) does not exceed 2% of our outstanding voting rights.

Pursuant to Section 276 of the Companies Law, all shareholders are asked to indicate on the enclosed proxy card whether or not they have a personal interest in the approval of this proposal, otherwise, the shareholder is not eligible to vote on such proposal. For a discussion of the provisions of the Companies Law regarding personal interests, please see “Item 2 – Reelection of External Director; Required Vote.”

Proposal

At the Shareholders Meeting, the Board of Directors will propose that the following resolution be adopted:

“RESOLVED, to approve the grant and renewal of the Company’s form of exemption letters to our current and future office holders who are deemed to be controlling shareholders commencing December 30, 2015, and to determine that this resolution is in the best interest of the Company.”

Upon the receipt of a properly signed and dated proxy, which includes an indication as to whether or not the shareholder has a “personal interest” in the approval of this proposal, and unless otherwise instructed in the proxy, either of the persons named in the enclosed proxy will vote the shares represented thereby **“FOR”** the above-mentioned proposal.

ITEM 6

INCREASE TO THE COVERAGE OF OUR D&O LIABILITY INSURANCE POLICY

Background

The Companies Law permits an Israeli company to procure a liability insurance policy covering its office holders, subject to limitations that appear in the Companies Law and provided that such company's articles permit such liability insurance. Our Articles permit us to enter into an agreement for the insurance of the liability of our office holders, in whole or in part, for any of the following:

- (i) A breach of a cautionary duty toward the Company or toward another person;
- (ii) A breach of a fiduciary duty toward the Company, provided the office holder acted in good faith and has had reasonable ground to assume that the act would not be detrimental to the Company;
- (iii) A monetary liability imposed upon an office holder toward another;
- (iv) Reasonable litigation expenses, including attorney fees, incurred by the office holder as a result of an administrative enforcement proceeding instituted against him. Without derogating from the generality of the foregoing, such expenses will include a payment imposed on the office holder in favor of an injured party as set forth in Section 52[54](a)(1)(a) of the Securities Law and expenses that the office holder incurred in connection with a proceeding under Chapters H'3, H'4 or I'1 of the Securities Law, including reasonable legal expenses, which term includes attorney fees;
- (v) Any other matter in respect of which it is permitted or will be permitted under applicable law to insure the liability of an office holder in the Company.

The current coverage of our directors and officers' liability insurance policy is \$10 million, for which we currently pay an annual premium of approximately \$41,000. This coverage was previously approved by our shareholders, most recently at the 2012 Shareholders Meeting.

General

In recent years, our activities and operations have developed and evolved, increasing dramatically since we entered into the renewable energy field in March 2010. We now have international operations, in Italy, Spain and Israel and our securities are traded both on the NYSE MKT and on the TASE. Due to these developments and in order for us to enable our office holders to make and implement decisions that are in the best interest of our company and our shareholders, our Compensation Committee and Board of Directors discussed an increase of the coverage of our directors and officers' liability insurance policy to \$15 million, or the Updated Policy. The annual premium for the year 2015 in connection with the Updated Policy is currently expected to be approximately \$59,000.

Based on the recommendation of our insurance adviser, who confirmed that the Updated Policy is customary and appropriate for companies of our company's size and characteristics and that the premium is on market terms, and in accordance with our Compensation Policy, our Compensation Committee and Board of Directors approved, and recommend that our shareholders approve, the acquisition of the Updated Policy for our current and future office holders, including office holders who are deemed to be controlling shareholders.

At the Meeting, the shareholders will also be asked to approve any renewal and/or extension of the Updated Policy, and the purchase of any other D&O insurance policy upon the expiration of the Updated Policy from the same or a different insurance company with the same coverage. The approval will apply to current and future directors who may serve from time to time and to current and future office holders who are deemed to be "controlling shareholders" under the Companies Law.

For the avoidance of doubt, if this proposal is not approved, the validity of the current directors and officers' liability policy and prior approvals of our shareholders will not be affected. In addition, as our current undertaking to provide liability insurance to Messrs. Nehama, Raphael and Fridrich will expire on December 29, 2015, in the event this proposal is not approved with the requisite special "disinterested" majority (to the extent required), the current policy will continue to apply to Messrs. Nehama, Raphael and Fridrich until its expiration date. In addition, the increase of coverage as it applies to our officers who are not our CEO or controlling shareholders does not require shareholders' approval.

Required Vote

Pursuant to Section 273 of the Companies Law, the terms of service of members of our Board of Directors that are in accordance with our Compensation Policy generally require the approval of our Compensation Committee, Board of Directors and the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and voting on the matter.

In addition, as noted under Item 2 of this Proxy Statement, Messrs. Nehama, Raphael and Fridrich are all deemed to be our “controlling shareholders” for purposes of Section 268 of the Companies Law and as noted under Item 4 of this Proxy Statement, the approval of the terms of service of controlling shareholders, including the provision of liability insurance, requires the approval of our Compensation Committee, Board of Directors and the affirmative vote of the holders of a majority of the shares present, in person or by proxy, and voting on the matter provided that at least one of the following conditions is met: (i) the shares voting in favor of the matter include at least a majority of the shares voted by shareholders who do not have a personal interest in the approval of the transaction or (ii) the total number of shares voted against the transaction by shareholders referenced under (i) does not exceed 2% of our outstanding voting rights.

Pursuant to Section 276 of the Companies Law, all shareholders are asked to indicate on the enclosed proxy card whether or not they have a personal interest in the approval of this proposal with respect to our office holders who are deemed to be controlling shareholders, otherwise, the shareholder is not eligible to vote on such proposal. For a discussion of the provisions of the Companies Law regarding personal interest, please see “Item 2 – Reelection of External Director; Required Vote.”

In connection with the undertaking to provide liability insurance to our current and future office holders who are deemed to be controlling shareholders (currently Messrs. Nehama, Fridrich and Raphael) that is part of the proposed resolution, we intend to utilize an exemption that is available under the Relief Regulations. Regulation 1[2](5) of the Relief Regulations provides that in the event a company’s compensation committee and board of directors determine that the insurance provided to the controlling shareholder is: (i) upon terms identical to those provided to the company’s other officers and directors, (ii) on market conditions, and (iii) not likely to materially affect the company’s profitability, assets or liabilities, the approval of the company’s shareholders for the provision of liability insurance to controlling shareholders will not be required. In connection with the provision of liability insurance discussed herein, our Compensation Committee and Board of Directors approved and confirmed the conditions set forth in the Relief Regulations. Nevertheless, pursuant to Regulation 1[3](a) of the Relief Regulations, one or more of our shareholders holding at least 1% of our issued share capital or voting rights have the right to oppose such exemption in writing. ANY OPPOSITION MUST BE RECEIVED BY US NO LATER THAN 14 DAYS FOLLOWING THE PUBLICATION OF THIS PROXY STATEMENT. In the event of such opposition, the provision of liability insurance for our office holders who are deemed to be controlling shareholders will require shareholders’ approval by the special majority detailed above. Accordingly, the approval of the provision of liability insurance for our office holders who are deemed to be controlling shareholders will only be presented for shareholder approval at the Shareholders Meeting if so required by one or more shareholders as explained above. If shareholders’ approval is not required under the Relief Regulations, then any votes and abstentions submitted on a proxy for Proposal 6 will only be taken into account with respect to such portion of this proposal that is not subject to the exemptions available under the Relief Regulations.

Proposal

At the Shareholders Meeting, the Board of Directors will propose that the following resolution be adopted:

“RESOLVED, to approve the purchase of the Updated Policy and any renewals, extensions or substitutions thereof, at the Company’s expense, for the benefit of the Company’s current and future office holders, including current and future office holders who are deemed to be controlling shareholders, and to determine that this resolution is in the best interest of the Company.”

Upon the receipt of a properly signed and dated proxy, which with respect to the applicable portion of this resolution, includes an indication as to whether or not the shareholder has a “personal interest” in the approval of this proposal, and unless otherwise instructed in the proxy, either of the persons named in the enclosed proxy will vote the shares represented thereby “**FOR**” the above-mentioned proposal.
